## delete own post?

Posted by BuZZdEE - 2007/09/17 04:16

---

How can I delete my own post, if I have make something wrong?  
For example: I want to reply, but started a new thread.

Hi BuzzDee

Sorry this feature is not available for registered users. Only admin can delete posts. But you can edit your post like "please delete me" so i will see it and delete it ;)

Hi doitux

Ok, then I will do it. :-)
